

July 14, 2010

Mr. Harpreet Singh,  
Executive Director,  
Educomp Raffles Higher Education Ltd.  
New Delhi.

Dear Mr. Harpreet Singh,

It was wonderful meeting you and hearing about Educomp Raffles Higher Education LTD, with JV between Educomp Solution LTD. ([www.educomp.com](http://www.educomp.com)) and Raffles Corporation ([www.raffleseducationcorporation.com](http://www.raffleseducationcorporation.com))

We are happy to learn about your MBA programme, Wealth Management Programme and Engineering Education Programme.

As one of the leading players in the Pharma Industry we are always committed to support Educational Institutions like yours, who are trying to improve the quality and delivery of Education.

We would be happy to be associated with yours Institution and provide support in the following way:-

1. We can consider students from your Institution for internship / summer training in our organization.
2. We can along with your faculty develop live Industry oriented project to be under taken by your students.
3. We can organize visit of our senior managers for mentoring / guest lecturers (3 or 4 times a year).
4. We can include your institute in our list of campus placement collages.
5. We can participate along with your faculty in syllabus/course development specially covering Pharma Industry.

Kindly keep the undersigned informed about the progress of your academic sessions so that we can suitably coordinate with you

With Warm Regards,

Yours Sincerely,

N. D. Rajpal  
Resident Director
