A 2 year full-time **Post Graduate Diploma in Management** (AICTE Approved) program from JRE and the **MBA** (recognized by Bharathiar) from MAPS has been designed to empower the participants through quality education focusing on innovation, entrepreneurship and benchmarked management techniques. The Institutes aim at creating an environment in which students undergo a process of experiential learning through exposure to a range of real world practical problems and utilizing opportunities to apply learned skills in diverse business situations.

PGDM Program offers Majors in

- Marketing
- Finance
- Human Resource (HR)

After successful completion of the 2 year program students will be awarded a Post Graduate Diploma in Management.

MBA is available in the following Functional Specializations

- Marketing
- Finance
- Human Resource (HR)

Students will receive an MBA degree on completion of course.

PEDAGOGY

The curriculum is designed by both industry experts and academicians to create a solid link between conceptual knowledge and the practical requirements of today's business world. The course structure will facilitate a four - dimensional learning:

- Facilitating an in-depth understanding of the key concepts
- Providing opportunities for understanding the links between conceptual understanding and practical applications
- Applying the concepts in actual or simulated environments
- Reviewing and analyzing the links between given business situations and the concepts learned

Case studies, live projects, regular business presentations, industry interactions etc. provide a real life experience to the students.

The HBS case studies give great exposure and learning to the students.

At the Harvard corner, the students can access the case studies right from the inception of Harvard Business school and many online prestigious books of management.

PROGRAM HIGHLIGHTS

INDUSTRY EXPERIENCE

The courses provide an opportunity for students to complete internships with top corporates and education is imparted through case studies that focus on diverse industries. Students are also exposed to top corporate professionals from whom they can learn from first-hand experience.

SPECIALIZATION CERTIFICATION

The students are able to focus on high growth sectors including Financial Services & Banking, Healthcare, Education, Infrastructure, FMCG, Manufacturing, BPO & IT services. The students choose two sectors in the final year for specialization. This will entail study hours in addition to those required by the curriculum.

OUTBOUND LEARNING PROGRAM (DEHRADUN TRIP)

The pioneer batch of JRE - SOM 2011 - 2013 and MAPS had the privilege to wade through the serene beauty of the hilly plains of Dehradun for an outbound learning trip.

The 3-day training included activities like team-building, trekking, adventure games, group tasks, brain storming sessions and group discussions. These activities gelled the feeling of unity in the students and created a bond that built the enigmatic spirit of the management program they were here for.

The OBL trip benefited the students in a lot of ways which aided in their management education:

- Helping the students in learning the importance of working in a team
- How not to lose calm in adverse situations
- The virtue of being a smart worker rather than being a hard worker
- Helping the students in coming out of their conscious zones and performing

- Helping them to learn the importance of motivation
- Improving the relationship between students and helping them in knowing each other well
- Not to underestimate anyone in a team
- Last but not the least, the rich experience loaded in the carriage of fun formed the basis of memories that will be etched forever in their minds throughout their lives

FRESHERS' PARTY

7th of October was marked as a memorable day in the life of every fresher. The Freshers' Day was filled with excitement, joy, music, enthusiasm, laughter and happiness. The guests at the event were Prof. Stephen Rawlinson (Academic President - ERHEL), Mr. Harpreet Singh (Executive Director - ERHEL), Prof. Pankaj Gupta (VP - Academics - ERHEL), Dr. Krishna Rao (Dean - JRE - SOM), Dr. C S Sharma (Sriram College of Commerce, Delhi).

{ Prof. Pankaj Gupta (VP - Academics - ERHEL) with Ms. Fresher at Fresher's Party }

The celebration started at 4.00 PM in the evening with a welcome speech from students followed by an address given by the leadership team. The freshers were formally welcomed at the Institute. The highlight of the Freshers' Day celebration was the selection of Mr./Ms. Fresher in which students participated and their performances were incredible.

FACULTY DEVELOPMENT PROGRAM-IIM AHMEDABAD

IIM...Involve...Involve again...Move Ahead!!!

This is the new mantra which the faculty team of JRE School of Management came across during their much awaited life time experience of visiting and attending a 4-day Faculty Development Program on 'The Case Method in Management Education' from September 27 to 30, 2011 at IIM Ahmedabad

{ Faculty development program at IIM Ahmedabad }

under the guidance of Prof. Mukund Dixit, Prof. Abhinandan K. Jain and Prof. Vijaya Sherry Chand. The FDP was attended by management teachers, research scholars and freelance editors. This FDP helped in developing an understanding of the case method as a pedagogical tool to facilitate participatory student learning and made our faculty acquainted with the skills of case writing and research methodology.

TEACHERS' DAY

"A teacher is like a fire-fly in the darkness of the night, which spreads hope at times of distress." September 5, 2011 was the day of mixed emotions. The day was a blend of joy and surprises for the teachers. Song and dance performances embraced the celebration and to add - on a surprise cricket match was organized between students and faculty. Such a lively day touched the hearts of the faculty.

COMMUNITY SERVICES

Apart from core curriculum lectures, professional meets, industry visits, social events and other celebrations, our students are also sensitive towards the society and community. As a part of social responsibility committee, they voluntarily participate in variety of social causes and community services such as adoption of a village, tree plantation, teaching underprivileged children and many others.

LIFE AT OUR INSTITUTES

ACADEMIC LIFE

Our institutes provide opportunities for the students on an individual and group basis to develop social, intellectual and practical skills in the discipline of choice and to develop a love for life long learning. Students are encouraged to develop their personal leadership styles and are provided with ample opportunity to interact with faculty and practitioners alike. The focus of the program as a whole is to stimulate the students in a way that promotes the internalization of learning rather than examination and challenging traditional approaches to problem solving. The assignments, project work and case analysis are designed to support this approach, also to arm the students with skills to effectively manage a range of complex business situations. The overall orientation of the program is towards preparing participants for high end employability.

STUDENTS

The Institutes have high expectations from its participating students and securing a place is highly competitive. They have been designed for individuals willing to work in a learning environment encompassing a wide spectrum of knowledge. The programs focus on the development of leadership skills, innovative & out of the box thinking and matured decision-making process. To accomplish this, the Institutes expect the students to be motivated, open minded and willing to bring fresh approach to the world of business. The students must be prepared to put in additional hours before and after interaction with the faculty and should always have a ready-to-learn attitude.

Students who are suitable for this program are:

- Keen Learners
- Disciplined
- High in Energy
- Creative
- Excited by Challenges
- Able to Communicate Effectively
- Demonstrate High Integrity
- Flexible in Approach
- Self Confident
- Good in Interpersonal Skills

COMMITTEES AND CLUBS

The Institutes' clubs and associations offer some of the most memorable, interesting and enjoyable aspects of the student experience.

Although most of the time of our budding managers goes in academics, but the various clubs and committees encourage informal interactions through various interest groups of the students. The learning beyond the classroom is an integral part of learning at the Institutes. Various students clubs provide an opportunity to practice and hone the inherent skills and talents of our students. The culture at our institutes promote learning, teamwork and leadership which help our graduates to imbibe the qualities for a great career.

- **Marketing Club** - The Marketing Club is a primary club for those with an interest, background, and/or career aspiration in marketing. The Marketing Club provides an engaging forum for the students interested in marketing to develop the appropriate business acumen and industry networks. The Marketing Club members involve themselves in real life case studies, selling games and Marketing/Advertising strategies.

- **Finance Club** - The Finance Club brings together the aspirants who want to pursue their career in the field of finance. It promotes finance related activities and learning beyond the classroom for the finance students. The Finance Club caters to students with a wide variety of finance related interests - whether it is Investment Banking, Investment Management, Venture Capital/Private Equity or Corporate Finance.
- **HR Club** - The HR Club organizes various seminars, workshops, HR Conclaves, team building exercises and lecture sessions by HR practitioners and consultants, wherein they share with the students case studies and new developments in the HR sector.
- **Social Media Marketing Club** - The Social Media Marketing Club helps the students to understand the importance of social media and networking in today's era. The students, who have a bent of mind towards social media, get together to debate, discuss and learn the upcoming and existing modes of social media.
- **Quiz Club** - The Quiz Club keeps the students abreast of the latest news and happenings. The students go through various newspapers, journals, magazines on an everyday basis and ensure that the learning translates into their victory in the quizzes. This also keeps the students abreast of their academics as well as current affairs and business happenings across the globe.

Students playing at campus ground

- **Placement and Corporate Relation Committee** - The Placement Committee headed by IIM alumni also has a student cell under their guidance, that has been formed to interact with the companies on a continuous basis in order to bring the best fit career opportunities for the students of our institutes, both for the summer and the final placements. It also helps in continuous interactions by organizing guest lectures, industry visits etc.
- **Entrepreneur Incubation Cell** - The students who have brilliant entrepreneur ideas, have been provided an opportunity by the academic partners of Educomp and Raffles with a seed amount of Rs. 1 crore. In case the students' ideas and projects are selected by the core committee, the students have an option to fly high with their business idea as soon as they are out of the campus. The cell helps the students to nurture their ideas and develop them further under the guidance of faculty and practitioners.
- **International Relations Committee** - The International Relations Committee facilitates regular interactions with the international universities and professionals so that the students can get a global exposure. The committee keeps in touch and invites various guests and faculties from across the globe, which also helps to broaden the outlook of the students.
- **Cultural Events Committee** - The Institutes believe in the culture of togetherness, therefore they ensure all festivals are celebrated in the campus to involve each and everyone. The Cultural Events Committee is responsible for planning and organizing festivals like Holi, Diwali, Teacher's Day, Independence Day, Eid, Christmas etc.
- **Public Relations and Media Committee** - The students under the supervision of the Public Relations team try to keep the media updated about each and every event happening at the campus. Since, there are number of events and activities at our campuses, the media and journalists are invited and updated about the same by this committee.
- **Student Welfare, Discipline and Mess Committee** - The Student Welfare, Discipline and Mess Committee takes care of the well being of the students. This is a "by the students"- "for the students" committee formed to take care of the students' requirements and grievances.
- **Anti-Ragging Committee** - Although ragging is absolutely prohibited in the campuses, but to ensure that no one indulges in any kind of such malpractice, this committee is formed to guard all the students against ragging. The Anti Ragging Committee works 24 X7 X 365 with their eyes and ears open and immediately stop any such misdeed.

- **Academic Program and Library Committee** - The Academic Program and Library Committee takes track of the academic requirements of the students with respect to books, journals, newspapers, magazines, case studies which is of academic relevance. The committee immediately notifies the concerned people to fulfil the demands regarding the same.
- **Sports Committee** - We believe in the overall development of our students which is why we have always made sure that our students develop their abilities in sports along with their management capabilities. The Sports Committee holds various tournaments in cricket, basketball, football, badminton, carom, chess etc. time to time and also provide all necessary equipments to the students for pursuing their favorite sport.

BEYOND ACADEMICS

Apart from interactive classroom learning, the students find ample opportunities to socialise themselves.

The hostel accommodation at JRE promotes a quality life-style and sustains it at every step on the way. It is a place where our students' life starts in a different way, every day. Life at hostel is packed with enjoyment and energy.

All work and no play... is an adage not practiced at our institutes. In the dusk, students have fun and recreation with indoor and outdoor games.

Sports are given equal importance in 360° development approach, because it is a way of learning sportsmanship and team activities. Sports play an important role in the physical, psychological and intellectual development of the students.

Festivals are celebrated with great enthusiasm at the Institutes. The diversity and richness of the Indian culture is maintained by the students. All festivals, be it Holi, Diwali, Christmas, Lohri, Eid, Dussehra, Janmashtami, Durga Pooja, Teacher's Day etc. all are celebrated with vigor and joy, further developing the team work and unity in the batch.

OUTBOUND LEARNING

In the outbound programs, participants are made to go through various outdoor activities where they will be required to face challenging situations as individuals and teams. This helps them to see the importance of communication, leadership, teamwork, planning and delegation.

One of the most unique aspects of outbound training is that the students are immediately able to see the consequences of wrong actions and can see the tangible difference that can be made by a change in the thinking and behavior. The trained facilitators enthusiastically help them to extrapolate the learning from these outdoor activities to their workplace.

The training also acts as an ice breaker as the students on their joining, are immediately taken for this training. Apart from the experience they gather, the lush green environment gives them a break from the hectic city life.

Life at our institutes is truly a blend of professionalism and socialism. It's a combination of rigorous learning along with various outbound trainings, professional seminars, workshops and social events. Students are encouraged to take a project on community service in nearby village to contribute to the society while studying.
